

Disclaimer Statement and Terms of Use

BY USING OR ACCESSING THE SERVICES, THE USER (“You”) AGREE TO THE TERMS OF THIS DISCLAIMER. IF YOU DO NOT AGREE TO THIS STATEMENT, YOU CANNOT USE THE SERVICES. Please note The Continuum offers its services “as is” and without warranties. While The Continuum makes reasonable efforts to provide you with accurate content, we make no guarantees, representations or warranties, whether express or implied, with respect to professional qualifications, expertise, quality of work, price or cost information, insurance coverage or benefit information, or any other content available through the services, whether provided directly by The Continuum or by its third party affiliates. IN NO EVENT SHALL WE BE LIABLE TO YOU OR ANYONE ELSE FOR ANY DECISION MADE OR ACTION TAKEN BY YOU IN RELIANCE ON ANY SUCH CONTENT.

While The Continuum strives to be helpful to you in your healthcare journey, the information and content on this website is neither intended nor implied to be a substitute or replacement for professional medical advice, diagnosis, or treatment. Do not use the services for emergency medical needs. The services of the Continuum and its professional service providers are presented for the sole purpose of disseminating health information to patients and caregivers to make their own determination as to how they may or may not proceed with a plan of care by their personal medical professional. It is not intended and must not be taken to be the provision or practice of medical, nursing or professional health care advice or services by the Continuum in any jurisdiction within the United States. Always seek the advice of your physician or other qualified health provider prior to starting any new treatment or with any questions you may have

regarding a medical condition. If you rely on any content, you do so solely at your own risk

The Continuum has taken reasonable care in providing content, information and links to service providers from this website. However, The Continuum encourages you to independently confirm any content relevant to you with other sources, including medical associations relevant to the applicable specialty, your state medical boards, and the appropriate licensing or certification authorities to verify listed credential and education.

The services are informational and educational resources for you. The procedures, products, services and devices discussed and/or marketed through the Services by third parties are not applicable to all individuals, patients or all clinical situations. Any procedures, products, services or devices represented through the Services by advertisers, sponsors, and other participants of the Services, either paid or unpaid, are presented for your awareness and do not necessarily imply, and we make no claims as to, safety or appropriateness for any particular individual or prediction of effectiveness, outcome or success.

If you do not qualify under these Terms of Use, do not use the Site or Services. Use of the Services is void where prohibited by applicable law, and the right to access the Site is revoked in such jurisdictions. By using the Site and/or the Services, you represent and warrant that you have the right, authority, and capacity to enter into these Terms of Use. The Site is administered in the U.S. and intended for U.S. users; any use outside of the U.S. is at the user's own risk. Users are responsible for compliance with any local, state or federal laws applicable to their use of the Services or the Site.
